From Fr. Havel...

Blessed Easter greetings as we continue our celebration of the Resurrection of the Lord. This weekend we hear in the Sacred Scriptures of Jesus appearing to the disciples. He invited them to touch his wounds and not persist in their unbelief but believe! It is our faith in the Resurrection that truly opens our hearts and lives to the new life that Jesus brings to God's people.

It has been a busy but wonderful first week of the Easter season. We had very blessed celebrations of Easter on Holy Saturday evening and Sunday morning. Thank you to all who made them truly times of grace. We continue to pray for Elaine Wach and Donna Hollund whose funeral liturgies we celebrated this past week as we pray for all who have died in Christ and look forward to sharing in the Lord's resurrection. This weekend we look forward to sharing in the joy of new life as we celebrate as God's people, two baptisms. God is so good! May the fifty days of this Easter season be a blessing for us in the love of God. ~Fr. Greg

School Update....

Having just finished observing the season of "Lent" and celebrated, The Resurrection of Jesus, we are now back from a wonderful and restful Easter break with friends and family. It is time now, to dive back into our school work. We are at that place in the year where we are starting to wrap up some things that we have been working on all school year. We only have a few Math units to complete and, with just a few more letters, our alphabet books will be complete. These books are always such a great keepsake at the end of Pre-kindergarten. We have been working REALLY hard this year. We also have been talking a lot about the Earth and how we can take better care of it, since "Earth Day" is right around the corner. We always do a really fun project around this time. If you have read the Dr. Seuss books, then I am sure you all familiar with the Lorax, who is a Seuss character. The kids LOVE the Lorax!

So, we start off by reading the book "The Lorax" and talk about all the good things we can do to keep our planet happy and healthy for everyone that lives here... people, animals and plants alike! We plant some fun seeds and watch them blossom.... growing tall, healthy and beautiful! As the children water and feed the plants daily, they learn how to care for something. Last but not least, we assemble our Lorax art project... the kids are always so excited and proud when they are all finished and of course, they always turn out adorable!! So now... I will leave you with this memorable saying of the Lorax:

"UNLESS someone like you cares a whole awful lot, nothing is going to get better, it's not." -Lorax

Happy Earth Month, everyone!!!

Blessings,

Angie Swehla
