Parish Office Closed

From Fr. Havel...

The Sacred Scriptures reveal to us that God is a triune God, Father, Son, and Holy Spirit. There are three persons united in perfect love but only one God. It is into communion with God that we are called to live each day. St. Paul writes in the letter to the Romans of God's love for us as he writes, "Not only that but we even boast of our afflictions, knowing that affliction produces endurance, and endurance proven character, and proven character, hope, and hope does not disappoint, because the love of God has been poured out into our hearts through the Holy Spirit that has been given to us." May we live always in faithfulness to our God. ~Fr. Greg

SCS News Principal: Diane Edwards

SCS News Principal: Diane Edwards SCS has completed the 2021-2022 school year. We are blessed to have the support of so many for the strong foundation we are giving our preschool-6th grade students. This year we had 35 students in preschool-6th grade. We had two 6th graders "graduate" on June 3. As of right now, we have 38 students enrolled for the 2022-2023 school year. We are meeting with some potential families and are hopeful to increase our numbers before the end of summer.

As a school community, we were thrilled to bring families back into the school for events that were on hold due to COVID. We held Advent and Lent family events with suppers. There were several religion/music programs for families to attend under the direction of Mrs. Lea Nowak. We are excited to continue events as we move into next year.

SCRIP: We are actively searching for a volunteer coordinator for our SCRIP program. We want to thank Kristi Koziolk for the time she has given to this program over the years. If you are interested in learning more about what this SCRIP coordinator position would entail, please reach out to Diane Edwards.

For the summer, SCRIP will only be available online through the Raise Right App. Use the website <https://www.raiseright.com/> to get signed up. Our school enrollment code is EL9F8B84L764. We will also work to sell any current cards we have on hand to reduce our current inventory.

Technology: We will be looking for someone to help us get our chromebooks and tablets cleaned up. We also would like some protective software on them for security purposes. If you know of anyone that may be able to help out, get me their name or have them contact me.

NWEA Data: As we examined our spring scores, our students did well. Overall our school scored above the state average and our local school district. We do have some areas to work on as we move forward. We will take this data and create goals and action steps within our school strategic plan to guide us in this.

A copy of our school strategic plan will be sent out to stakeholders later this summer as we have some tweaking to do based on some suggestions from our MNSAA visit in April.

MNSAA Summary: We received our accreditation review. We will be working through a couple of things, but overall we had a great report. I will send out an executive summary to all stakeholders in July.
