Adoration Eucharistic Adoration for the Tri-parish
will resume weekly at St. Casimir Church
Wednesday at 9:00 pm through **Thursday** 10:00pm.

From Fr. Havel...

We truly give thanks to God for the gift of the Eucharist. It is in receiving the Body and Blood of Christ in Holy Communion that we are forever united with the Lord. We hear in the Scriptures, "for as often as you eat this bread and drink this cup, you proclaim the death of the Lord until he comes." May the bread of life and the cup of salvation always be at the center of our lives.

This weekend we welcome Fr. Peter Klein to our triparish. Fr. Klein will be celebrating the Masses with us, as Fr. Havel is on vacation fishing with friends.

We also are joyful in our celebrations this weekend for our fathers. It is Father's Day on Sunday and provides an opportunity to say thanks to God for the gift of fathers in our lives. May all fathers always know the gratitude of their families and experience the blessings of God's love for them.

~Fr. Greg

SCS News Principal: Diane Edwards

SCS News Principal: Diane Edwards SCS has completed the 2021-2022 school year. We are blessed to have the support of so many for the strong foundation we are giving our preschool-6th grade students. This year we had 35 students in preschool-6th grade. We had two 6th graders "graduate" on June 3. As of right now, we have 38 students enrolled for the 2022-2023 school year. We are meeting with some potential families and are hopeful to increase our numbers before the end of summer.

As a school community, we were thrilled to bring families back into the school for events that were on hold due to COVID. We held Advent and Lent family events with supper. There were several religion/music programs for families to attend under the direction of Mrs. Lea Nowak. We are excited to continue events as we move into next year.

SCRIP: We are actively searching for a volunteer coordinator for our SCRIP program. We want to thank Kristi Koziolk for the time she has given to this program over the years. If you are interested in learning more about what this SCRIP coordinator position would entail, please reach out to Diane Edwards.

For the summer, SCRIP will only be available online through the Raise Right App. Use the website <https://www.raiseright.com/> to get signed up. Our school enrollment code is EL9F8B84L764. We will also work to sell any current cards we have on hand to reduce our current inventory.

Technology: We will be looking for someone to help us get our chromebooks and tablets cleaned up. We also would like some protective software on them for security purposes. If you know of anyone that may be able to help out, get me their name or have them contact me.

NWEA Data: As we examined our spring scores, our students did well. Overall our school scored above the state average and our local school district. We do have some areas to work on as we move forward. We will take this data and create goals and action steps within our school strategic plan to guide us in this.

A copy of our school strategic plan will be sent out to stakeholders later this summer as we have some tweaking to do based on some suggestions from our MNSAA visit in April.

MNSAA Summary: We received our accreditation review. We will be working through a couple of things, but overall we had a great report. I will send out an executive summary to all stakeholders in July.
