Religion Philosophy

We believe that we can help our students share in religious experiences as they grow in a loving relationship with God the Father, the Son and the Holy Spirit. Through Scripture we can bring them in touch with Jesus, who became a human person like we are. These experiences can give greater meaning to their lives in this world and the next.

Program Standards

- Be able to read the Holy Scripture and see it as the Living Word of God.
- Be able to celebrate the Sacraments and support others in their celebrations.
- Be able to participate fully and actively at Mass.
- Be able to pray the prayers of our faith.
- Be able to participate in Catholic liturgical celebrations in the church year.
- Become a member of the Catholic community working for peace and justice.
